

## About Enterprise Enfield

Enterprise Enfield is an independent enterprise agency approved by the Department for Business, Energy and Industrial Strategy (BEIS). The organisation, established in 1985, has an excellent track record of delivering business support services and facilities specifically designed to encourage, guide and inspire people to be successful in business.

Many of Enterprise Enfield's services are free or subsidised through contracts it secures with funders. These include: the Greater London Authority, Local London and The RSA Trust.

### Services include:

- Expert business advice and guidance for start-ups and growing businesses
- A **North London Business Hub** providing a range of business services and facilities, including:
  - Monthly expert advice/ mentoring sessions
  - A professional mailing address and mailbox
  - Regular webinars and networking events
  - Associate Membership of the North London Chamber of Commerce and Enterprise
  - A Hub online directory listing
- An annual business start-up course for women called the RSA Inspiring Women Programme
- Free digital upskilling for business owners and their teams through two E-Business programmes
- Access to low-cost workspace units in Ponders End, Enfield

### The Team

Enterprise Enfield has an enthusiastic team of professional business advisers, trainers, staff and directors all working to support the north London business community. This includes:

- A strong Board of Directors including representatives from business, financial services and further education sectors
- A dedicated team of professional business advisers and trainers with skills and expertise in a vast range of areas

### Supporting our Team

The agency values its staff and supports the ongoing development of skills and progression. We are also both a Mindful Employer and London Living Wage Employer

### Commitment to Quality

The agency has been awarded the Matrix quality standard (re-accredited in 2021), which demonstrates its commitment to maintaining the quality of its business information, advice and guidance services

### Enfield Enterprise Centre

Enfield Enterprise owns and manages an industrial estate of 57 workspace units in Ponders End, Enfield
